SEUA, Faculty of Computer Systems and Informatics	SEUA-ug	Undergraduate	11.3	Software Engineering	This program is aimed at preparation of specialists in the field of creation and application of software for different types of computing and automated systems related to the needs of a wide range of human activity spheres	http://www.seua.am		English, Russian		30 per semester	15.09.2014		Zara Grigoryan	zrigoryan@seua.am	Yes	IELTS 6.0 or equiv.	maturity certificate, students status	full program in English	
SEUA, Faculty of Computer Systems and Informatics	SEUA-ma	Master	11.3	Software Engineering	The program deals with the same fields of study but more oriented to the research aspects	http://www.seua.am		English, Russian		30 per semester	01.10.2014		Zara Grigoryan	zrigoryan@seua.am	Yes	IELTS 6.0 or equiv.	Bachelor Degree, students status	full program in English - 4 semesters	
SEUA, Faculty of Computer Systems and Informatics	SEUA-PhD	PhD	11.3	Mathematical and Software support of computer systems, complexes and networks	The program is aimed at the preparation of researchers in the fields of Software Engineering	http://www.seua.am		English, Russian					Zara Grigoryan	zrigoryan@seua.am	Yes	IELTS 6.0 or equiv.	Master Degree	Learning Agreement not required	
SEUA, Faculty of Computer Systems and Informatics	SEUA-ug	Undergraduate	11.3	Information Security	The program provides ability to understand and practice in programming, firewalls as internet security, encrypted information	http://www.seua.am		English, Russian		30 per semester	15.09.2014		Zara Grigoryan	zrigoryan@seua.am	Yes	IELTS 6.0 or equiv.	maturity certificate, students status	full program in English	
SEUA, Faculty of Computer Systems and Informatics	SEUA-ma	Master	11.3	Information Security	The same fields of study but more oriented to the design and research aspects	http://www.seua.am		English, Russian		30 per semester	01.10.2014		Zara Grigoryan	zrigoryan@seua.am	Yes	IELTS 6.0 or equiv.	Bachelor Degree, students status	full program in English	
SEUA, Faculty of Computer Systems and Informatics	SEUA-PhD	PhD	11.3	Mathematical Modeling, Numerical Methods and Software Complexes	The program prepares highly qualified researchers in the field of Mathematical modeling and applications of numerical methods	http://www.seua.am		English, Russian					Zara Grigoryan	zrigoryan@seua.am	Yes	IELTS 6.0 or equiv.	Master Degree	Learning Agreement not required	
SEUA, Faculty of Cybernetics	SEUA-ug	Undergraduate	06.5	Electronics, Microelectronics	This program is aimed at preparing specialists for design and applications analog and digital electronic devices for different fields of industry and economics, as well as in consumer products	http://www.seua.am		English, Russian		30 per semester	15.09.2014		Zara Grigoryan	zrigoryan@seua.am	Yes	IELTS 6.0 or equiv.	maturity certificate, students status	full program in English	

SEUA, Faculty of Cibernetics	SEUA-ma	Master	06.5	Electronics, Microelectro nics	The same fields of study but more oriented to the design and researche aspects	http://www.seua.am		English, Russian		30 per semester	01.10.2014		Zara Grigoryan	zgrigoryan@seua.am	Yes	IELTS 6.0 or equiv.	Bachelor Degree, students status	full program in English - 4 semesters	
SEUA, Faculty of Cibernetics	SEUA-ug	Undergrad uate	06.9	Biomedical Engineering	The program is aimed to preparation of specialists in the field of creation and appication of biomedical devices	http://www.seua.am		English, Russian		30 per semester	15.09.2014		Zara Grigoryan	zgrigoryan@seua.am	Yes	IELTS 6.0 or equiv.	maturity certificate, students status	full program in English	
SEUA, Faculty of Cibernetics	SEUA-ma	Master	06.9	Biomedical Engineering	The same fields of study but more oriented to the design and researche aspects	http://www.seua.am		English, Russian		30 per semester	01.10.2014		Zara Grigoryan	zgrigoryan@seua.am	Yes	IELTS 6.0 or equiv.	Bachelor Degree, students status	full program in English - 4 semesters	
SEUA, Faculty of Radio Engineering and Communica tion Tools	SEUA-ug	Undergrad uate	06.5	Radio Engineering and Telecommu nication	##### http://www.seua.am	http://www.seua.am		English, Russian		30 per semester	15.09.2014		Zara Grigoryan	zgrigoryan@seua.am	Yes	IELTS 6.0 or equiv.	maturity certificate, students status	full program in English	
SEUA, Faculty of Radio Engineering and Communica tion Tools	SEUA-ma	Master	06.5	Radio Engineering and Telecommu nication	The same fields of study but more oriented to the design and researche aspects	http://www.seua.am		English, Russian		30 per semester	01.10.2014		Zara Grigoryan	zgrigoryan@seua.am	Yes	IELTS 6.0 or equiv.	Bachelor Degree, students status	full program in English - 4 semesters	
SEUA, Faculty of Radio Engineering and Communica tion Tools	SEUA- PhD	PhD	06.5	Radio Engineering and Telecommu nication	The program is aimed at the preparation of researchers in the above mentioned appropriate fields.	http://www.seua.am		English, Russian					Zara Grigoryan	zgrigoryan@seua.am	Yes	IELTS 6.0 or equiv.	Master Degree	Learning Agreement not required	
SEUA, Faculty of Electrical Engineering	SEUA-ug	Undergrad uate	06.2	Electrical Engineering, Electromech anics and Electrotechn ologies	##### http://www.seua.am	http://www.seua.am		English, Russian		30 per semester	15.09.2014		Zara Grigoryan	zgrigoryan@seua.am	Yes	IELTS 6.0 or equiv.	maturity certificate, students status		
SEUA, Faculty of Electrical Engineering	SEUA-ma	Master	06.2	Electrical Engineering	The same fields of study but more oriented to the design and researche aspects instead of producing and maintenance	http://www.seua.am		English, Russian		30 per semester	01.10.2014		Zara Grigoryan	zgrigoryan@seua.am	Yes	IELTS 6.0 or equiv.	Bachelor Degree, students status	full program in English - 4 semesters	
SEUA, Faculty of Mathematic s and Physics	SEUA-ug	Undergrad uate	11.9	Informatics and Applied Mathematics	The program is aimed at preparation of IT engineers with a special mathematical background	http://www.seua.am		English, Russian		30 per semester	15.09.2014		Zara Grigoryan	zgrigoryan@seua.am	Yes	IELTS 6.0 or equiv.	maturity certificate, students status
